Work Experience:

Teaching Artist – 2021 > Present
Round House Theatre Summer Camps
• Created & taught engaging lessons about different editing & filming techniques
• Teaches children the fundamentals of video production through filmmaking
• Assists other teaching artists with their lessons
• Completes other assistant tasks

Event Slideshow Designer – 2025
NDA Client
• Created custom themes with relevant assets for each theme in the video slideshow
• Matched transitions with the music chosen by the client
• Made custom title treatments
• Resized & made other adjustments to the photos & videos to ensure a consistent look

Projections Designer – 2024
Pipeline Playwright's "To Be Still"
• Designed and programmed seamless watercolor projections that enhanced the story
• Collaborated with the lighting, sound, and set designers to incorporate projections smoothly with their design elements
• Smoothly transitioned between scenes/locations

Assistant Projections Designer – 2024
for Zavier A.L. Taylor
• Took & relayed notes to the designer
• Managed QLab to ensure that when the director jumped to different scenes cues would still fire properly

Associate Projections Designer – 2024
Rorschach Theatre's "Human Museum"
• Provided detailed and insightful notes relaying valuable information while the designer was away
• Created QLab programming to run projections in tech rehearsals which saved a lot of time
• Designed a few projection elements for the final show

Logo/Title Animation – 2019 > 2023
PWK Studios
• Turned sketches into polished title sequences & logo animations
• Adapted to feedback in a timely fashion while sticking to design principles

Director/Videographer/Editor – 2024
Behind the Scenes of Roundlings Interview Video
• Recorded video & audio for the interviews
• Edited the interviews & added elements such as motion graphics and sound effects

Videographer/Editor – 2023
Help Copays Act
• Recorded and edited the video and created several motion graphics for the video

Projections Designer – 2019 > 2023
Teen Performance Company Round House Theatre
• Designed & programmed video projections for "TikTok" by Stephani Kuo & "Girlhood" by Dani Stoller
• Collaborated with other designers
• Masked the set so that projections would only land on specific parts of the set

Projections Designer – 2020 > 2023
Round House Theatre's Roundlings Comedy Group
• Created video projections such as titles for improv games throughout the show and pre edited comedy sketches
• Programmed the show file in QLab and ran projections & sound for the most recent show
